

STATE LEGISLATION UPDATE February 15, 2017

**New items since last Update denoted in red*

Adult Education

HB 852 – Rep. Parker (companion **SB 276**, Sen. Watson)

Relating to adult high school diploma and industry certification charter school pilot program requirements. Eliminates the cap on the number of individuals served by adult education providers.

Status: *SB 276 Referred to Education*

Workforce Development, Certification & Alignment

HB 374 – Rep.'s Johnson, Jarvis

Relating to the requirement that the Texas Workforce Commission provide certain employment information for secondary school students. Would require TWC to add in quarterly reports to TEA data on career and technical education partnership opportunities with business and industry; and professional development opportunities for teachers and learning opportunities for students through industry mentorships, internships, summer programs, after-school programs, and career-based student leadership opportunities

Status: *Filed*

HB 802 – Rep. Murphy

Relating to a requirement that online admission application forms for public institutions of higher education include a link to certain postsecondary education and career opportunity information. An electronic common admission application form adopted under this section must include a prominent link to the comparative postsecondary education and career opportunity information maintained by the Texas Education Agency on the agency's Internet website.

Status: *Filed*

SB 482 – Sen. Miles (companion **HB 1640**, Rep. Vo)

Relating to the creation of a program to assist foster care youth and former foster care youth in accessing higher education, career information, and skills certifications. Would require Department of Family and Protective Services to collaborate with local workforce development boards and related workforce entities to create a program that assists foster care youth and former foster care youth in obtaining a high school diploma or a high school equivalency certificate; and industry certifications that are necessary for occupations that are in high demand.

Status: *Referred to Health & Human Services*

SB 497 – Sen. Uresti

Relating to the creation of an office of workforce development and analytics in the Department of Family and Protective Services. Would require the department to create an office of workforce

development and analytics to provide workforce support services, oversee workforce recruitment and training, and perform data analytics for the department. **Status: Referred to Health & Human Services**

Career and Technical Education

[HB 136](#) – Rep. Bell

Relating to inclusion of career and technology education and workforce training to the mission of public education. Would amend the definition of a well-balanced curriculum in the Education Code to add success in a variety of postsecondary activities, including employment, workforce training, and enrollment in institutions of higher education. The bill also would add the objective for TEA to assist school districts and charter schools in providing career and technology education and effective workforce training opportunities to students.

Status: Filed

[HB 380](#) - Rep. Huberty (companion [HB 639](#), Rep. Charles Anderson)

Relating to authorizing the purchase of certain insurance coverage by public school districts for the benefit of businesses and students participating in career or technology training programs and providing for immunity from liability of certain public school students participating in career or technology programs.

Status: Filed

[HB 395](#) – Rep. Bell

Relating to the career and technology education allotment and the essential knowledge and skills of the career and technology education and technology applications curriculums.

Status: Filed

[SB 154](#) – Sen. Hinojosa (companion [HB 1700](#), Rep. Hinojosa)

Relating to the establishment by the Texas Workforce Commission of a career and technical education workforce specialist pilot program. Would establish pilot program by TWC under which workforce development specialists would provide career services to students at public high schools in three designated regions of this state for directing those students toward high-demand, skilled occupations experiencing existing or projected workforce shortages in this state.

Status: Referred to Education

Economic Development

[HB 108](#) – Rep. Alvarado

Relating to the creation of the Recruit Texas Program to facilitate the relocation to or expansion in this state of employers offering complex or high-skilled employment opportunities. Bill would create the Recruit Texas program which would allow TWC to provide funds to community and technical colleges for things such as rapid curriculum development to employers who are looking to expand or move to Texas.

Status: Referred to Economic & Small Business Development

[SB 6](#) – Sen. Kolkhorst

Relating to regulations and policies for entering or using a bathroom or changing facility. Would require transgender people to use bathrooms in public schools, government buildings and public universities based on “biological sex.”

Status: Referred to Senate State Affairs

[SB 634](#) – Sen. Estes

Relating to reporting requirements for certain skills development fund workforce training program providers. Would require public community colleges and technical schools to refund to the comptroller any state funds if they fail to submit a report required by this section.

Status: Referred to Natural Resources & Economic Development

Higher Education

[HB 393](#) – Rep. Strickland (similar bills: [HB 753](#), Rep. Keough; [HB 767](#), Rep. Fallon)

Relating to the determination of resident status of students by public institutions of higher education. Would abolish 2001 state law allowing noncitizens, including some undocumented immigrants, to pay in-state tuition rates at public colleges if they can prove they've been Texas residents for at least three years and graduated from a Texas high school or received a GED. They must also sign an affidavit promising to pursue a path to permanent legal status if one becomes available.

Status: Filed

[HB 1212](#) – Rep. Phillips (companion [SB 367](#), Sen. Garcia)

Relating to authorization by the Texas Higher Education Coordinating Board for certain public junior colleges to offer baccalaureate degree programs.

Status: Filed

[SB 352](#) – Sen. Watson (companion [HB 1580](#), Rep. Howard)

Relating to authorization by the Texas Higher Education Coordinating Board for certain public junior colleges to offer baccalaureate degree programs. Would add nursing baccalaureate degree programs.

Status: Referred to Higher Education

[SB 645](#) – Sen. Watson (companion [HB 1828](#), rep. Howard)

Relating to authorization by the Texas Higher Education Coordinating Board for certain public junior colleges to offer baccalaureate degree programs.

Status: SB 645 Referred to Higher Education

[SB 719](#) – Sen. Zaffirini

Relating to requiring the Texas Higher Education Coordinating Board to collect and study data on the participation of persons with intellectual disabilities in workforce education programs.

Status: Filed

Apprenticeships/Internships

[HB 595](#) – Rep. Workman (companion [SB 518](#), Sen. Miles)

Relating to a franchise tax credit for entities that employ certain students in certain paid internship or similar programs. Would establish a \$1,000 franchise tax credit for taxable entity for each eligible student who completes an eligible internship program offered by the taxable entity.

Status: Filed; SB 518 Referred to Finance

[HB 1127](#) – Rep. Raymond

Relating to a franchise tax credit pilot program for taxable entities that employ certain apprentices.

Status: Filed

SB 574 – Sen. Miles

Relating to the expansion of applied workforce learning opportunities in this state, including through the establishment of the Texas Industry Internship Challenge. Would require TWC, TEA and THECB to develop strategies to significantly increase the number of, and participation by students in, applied workforce learning opportunities, including paid internships, externships, and apprenticeships; and to facilitate the uniform award by high schools and public or private institutions of higher education of academic credit to students for the successful completion of those opportunities.

Status: Referred to Senate Education

Pre-K Education

HB 710 – Rep. Wu

Relating to providing free full-day prekindergarten for certain children. Would expand the definition under this section of the Education Code of eligible public education programs from half-day to full-day pre-kindergarten.

Status: Filed

SB 484 – Sen. Miles

Relating to the availability of free prekindergarten programs in public schools.

Status: Referred to Education

SB 35 – Sen. Zaffirini (companion [HB 196](#), Rep. Mary González)

Relating to providing free full-day prekindergarten for certain children. Would expand the number children eligible for free full-day pre-kindergarten programs.

Status: SB 35 Referred to Senate Education Committee; HB 196 Referred to House Public Education

Primary Education

HB 194 – Rep. Bernal

Relating to providing for endorsements for public high school students enrolled in special education programs. Defines the criteria by which a student who is enrolled in a special education program may earn an endorsement on the student's transcript.

Status: Referred to Public Education

HB 223 – Rep. Howard

Relating to use of compensatory education allotment funding to provide assistance to students at risk of dropping out of school who are pregnant or who are parents. Would allow funds to be used for child-care services expenses and costs associated with life skills programs for students at risk of dropping out of school.

Status: Filed

HB 588 – Rep. Bohac

Relating to the establishment of a grant program for promoting computer science certification and professional development for public school teachers.

Status: Filed

HB 713 – Rep. Wu (companion: [SB 160](#), Sen. Rodríguez; [HB 363](#), Rep. Huberty; [SB 214](#), Sen. Menéndez)

Relating to a prohibition of a monitoring system performance indicator based on the number or percentage of students receiving special education services. Would prohibit the TEA from adopting or

implementing a performance indicator in any agency monitoring system that evaluates the total number of students or the percentage of enrolled students of a school district or open-enrollment charter school who receive special education services.

Status: *SB 160 Referred to Education; SB 214 Referred to Education*

HB 729 – Rep. Bohac

Relating to instruction in positive character traits in public schools. Would require the State Board of Education to integrate positive character traits into the essential knowledge and skills adopted for kindergarten through grade 12, including courage; trustworthiness, integrity, respect and courtesy, responsibility, fairness, caring and good citizenship.

Status: *Filed*

HB 1195 – Rep. Swanson

Relating to inclusion of a civics test in the graduation requirements for public high school students.

Status: *Filed*

SB 22 – Sen. Nichols, Sen. Watson (companion HB 1237, Lucio III; HB 1842, Rep. Giddings)

Relating to the establishment of a Pathways in Technology Early College High School (P-TECH) program and to the repeal of the tech-prep program. Would establish a Pathways in Technology Early College High School (P-TECH) program for students who wish to participate in a work-based education program.

Status: *Referred to Senate Education Committee*

SB 191 – Sen. Garcia

Relating to the ability of a nonexempt employee to participate in certain academic, disciplinary, college and career readiness, and developmental activities of the employee's child or grandchild.

Status: *Referred to Senate Natural Resources & Economic Development*

TANF

HB 436 – Rep. Ken King (similar: HB 775, Rep. Fallon; SB 268, Sen. Nelson

Relating to the drug testing of certain persons seeking benefits under the Temporary Assistance for Needy Families (TANF) program. Would require adult and minor parent applicants for financial assistance benefits to submit to a marijuana and controlled substance use screening assessment.

Status: *SB 268 Referred to Health & Human Services*

Veterans Affairs

HB 92 – Rep. Guillen

Relating to the entitlement of spouses of certain veterans with disabilities to a veteran's employment preference. Would add the spouse of a veteran with a disability who has a total disability rating based either on having a service-connected disability with a disability rating of 100 percent or on individual unemployability to those who are qualified for veteran's employment preference.

Status: *Filed*

HB 257 - Rep. Hernandez

Relating to a report by the Texas Workforce Commission regarding the transition from military service to employment. Would require TWC to submit to the governor, lieutenant governor, speaker of the house of representatives, and chairs of the legislative committees with appropriate jurisdiction a report that: identifies the five most common military occupational specialties of service members who are transitioning from military service to employment; the five occupations for which the military

occupational specialties best offer transferable skills that meet the needs of employers; and any industry-based certifications that align with the military occupational specialties.

Status: Referred to Defense & Veterans' Affairs

HB 493 – Rep. Perez

Relating to reporting requirements for the College Credit for Heroes program. Would require TWC to add to its annual report to the legislature and governor data on the number of academic or workforce education semester credit hours awarded under the program and applied toward a degree or certification program at an institution of higher education during the most recent academic year.

Status: Filed

HB 827 – Rep. Blanco

Relating to a database for prospective employers to qualify veterans' military service experience and employment qualifications. Would require TWC to develop and maintain a web-based searchable database through which prospective employers may qualify a veteran's military service experience and employment qualifications related to specific skills.

Status: Filed

HB 1007 – Rep. Alonzo

Relating to the establishment of veterans resource centers at certain institutions of higher education.

Status: Filed

HB 1192 – Rep. Blanco

Relating to the expansion of the College Credit for Heroes program to lower-division public institutions of higher education offering degrees in certain fields.

Status: Filed

HB 1230 – Rep. Blanco

Relating to franchise tax credits for businesses that employ veterans.

Status: Filed
