

STATE LEGISLATION UPDATE

May 15, 2017

**Actions since last Update denoted in red*

Workforce Development, Certification & Alignment

SB 2105 - Sen. Miles

Relating to the requirement that the Texas Workforce Commission provide certain employment information for secondary school students. Requires the Texas Workforce Commission to provide information on all CTE partnership opportunities with business and industry, and professional development and learning opportunities (i.e., internships, industry mentorships, summer programs, after-school programs, career-based student leadership opportunities) that are available regionally. Instead of generalized classes that teach basic construction, this bill will open the door for programs tailored to the specific industries located in the community—increasing realistic CTE opportunities for students across the State of Texas and the incentive for partnerships with school districts and local industry.

Status: *Passed by Senate, Passed House, Sent to the Governor*

HB 378 – Rep. s Oliverson/Raney; companions HB 802, Rep. Murphy; SB 1277, Sen. Larry Taylor

HB 2994 – Rep. Ashby (companion SB 1746, Sen. Hinojosa)

Relating to workforce continuing education offered by public junior colleges. H.B. 2994 seeks to provide the Texas Higher Education Coordinating Board, as well as public junior colleges in Texas, guidance on (1) how to define a workforce continuing education course, (2) who qualifies as an eligible student for reimbursement of contact hours in a workforce continuing education course, and (3) allows the college to waive all tuition and fees for a student in a workforce continuing education course in certain circumstances.

H.B. 2994 amends the Education Code to require contact hours attributable to the enrollment of a student in a workforce continuing education course offered by a public junior college to be included in the contact hours used to determine the college's proportionate share of state money appropriated and distributed to public junior colleges, regardless of whether the course is taken by a student who is not an adult or whether the college waives all or part of the tuition or fees for the course. The bill defines "adult" as a person who is 17 years of age and has been awarded a high school diploma or its equivalent or who is 18 years of age or older, regardless of the person's previous educational experience, and "workforce continuing education" as a program of instruction that is designed primarily for adults and is intended, on completion by a participant, to prepare the participant to qualify to apply for and accept an employment offer or a job upgrade within a specific occupational category or to bring the participant's knowledge or skills up to date on new developments in a particular occupation or profession.

Status: *HB 2994 Passed by House, Referred to Senate Higher Education; SB 1746 referred to Higher Education, Left pending in committee*

HB 3397 – Rep. Romero, Jr.

Relating to formula funding for continuing workforce education courses offered by public junior colleges. Would require THECB to include in funding formulas the base funding amounts for continuing education workforce courses offered by public junior colleges for which credit toward a certificate or associate's degree is not awarded, including certifications and licenses, or employment in specific high-demand occupations

Status: *Passed by Senate; referred to House Higher Education*

SB 802 – Sen. Seliger

Relating to a study and report regarding best practices in the provision of dual credit courses by public institutions of higher education and the transfer of course credit between those institutions. Would require THECB to conduct a study to identify best practices in ensuring that dual credit courses provided by an institution of higher education and courses transferred to an institution of higher education for course credit apply toward a degree program at the institution. The study would include an evaluation of articulation agreements between school districts and higher education institutions.

Status: *Passed by Senate; referred to House Higher Education*

SB 1091 – Sen. Seliger

Relating to limitations on courses that may be offered for dual credit by school districts and public institutions of higher education. Intended to help ensure that dual credit courses completed by high school students transfer to a general academic institution and apply towards their degree by prohibiting institutions of higher education from offering any course outside of the core curriculum, career and technical education, or foreign language as a dual credit course.

Status: *Passed by Senate; Referred to House Higher Education*

SB 1746 – Sen. Hinojosa

Relating to workforce continuing education offered by public junior colleges. States that contact hours attributable to the enrollment of a student in a workforce continuing education course offered by a public junior college shall be included in the contact hours used to determine the college's proportionate share of state money appropriated and distributed to public junior colleges. The bill also defines the eligibility of high school students for continuing education courses.

Status: *Referred to Higher Education, considered in public hearing, Left pending in committee*

SB 2086 – Sen. West

Relating to measures to facilitate the transfer of students and course credit within the public higher education system. Would require THECB to divide the state into regions for the purpose of establishing a regional consortium among the institutions of higher education located within each region to facilitate the transfer of students and the transfer of course credit between institutions within the region.

Status: *Passed by Senate, Referred to House Higher Education*

SB 2122 – Sen. West

Relating to authorization by the Texas Higher Education Coordinating Board to develop and implement transfer policy for lower division courses among Texas public institutions of higher education. Would establish a 39-semester credit hour core curriculum that are general education courses, broad in scope, and not narrowly focused on knowledge and competencies specific to a particular occupation or profession, and require THECB to develop and implement policy regarding the transferability of these core curriculum course credits among institutions of higher education.

Status: *Passed by Senate, Referred to House Higher Education*

Economic Development

HB 108 – Rep. Alvarado

Relating to the creation of the Recruit Texas Program to facilitate the relocation to or expansion in this state of employers offering complex or high-skilled employment opportunities. Bill would create the Recruit

Texas program which would allow TWC to provide funds to community and technical colleges for things such as rapid curriculum development to employers who are looking to expand or move to Texas.

Status: *Passed by House, Referred to Senate Natural Resources & Economic Development*

SB 6 – Sen. Kolkhorst

Relating to regulations and policies for entering or using a bathroom or changing facility. Would require transgender people to use bathrooms in public schools, government buildings and public universities based on “biological sex.”

Status: *Passed by Senate; referred to House*

[SB 446](#) – Sen. Burton (companion [HB 135](#), Rep. Krause)

Relating to the acceptance or expenditure of federal funds by a political subdivision. Would require a political subdivision to directly report any federal grant award to the Texas comptroller and require that the comptroller compile a database of these award reports by political subdivisions. Three major concerns state lawmakers possess regarding direct federal grant awards to local governments are the incentive toward additional local spending or debt generated by their existence, the impairment to state sovereignty represented by conditions of the grant, and the massive size of the national debt. Supporters of this legislation contend that the legislature and the public must be made aware of federal grant awards to local governments on the grounds that such grant programs reflect the full cost footprint of local operations. Opponents of the bill cite the mandate as an unfunded reporting requirement placed on local entities.

Status: Referred to Finance; scheduled for public hearing 4/3/2017; HB 135 referred to Appropriations

[SB 477](#) – Sen. Lucio

Relating to a report by the Texas Workforce Commission regarding certain employee issues.

Relating to a study to evaluate by region training and employment opportunities in this state for individuals with an intellectual disability. Would require the Health and Human Services Commission in conjunction with the Texas Workforce Commission to conduct a study regarding occupational training programs available in this state for individuals with an intellectual disability.

Status: SB 2027 Passed by Senate, referred to House Human Services, Committee report sent to Calendars; HB 3341 referred to Human Services

[HB 3929](#) – Rep. Lucio III (Companion [SB 1111](#))

Relating to the employment of certain persons with disabilities. States that an individual with a disability qualifies for an employment preference if the individual is eligible to receive supported employment services from the commission or through a Section 1915(c) Medicaid waiver program. Also, an individual with a disability who qualifies for an employment preference under Section 621.0002 is entitled to a preference in employment with a state agency or political subdivision over other applicants for the same position who do not have a greater qualification.

Status: Filed; SB 1111 referred to Business & Commerce

[SB 455](#) – Sen. Zaffirini

Relating to the operations of the Employment-First Task Force. S.B. 455 would extend the duration of the task force from 2017 to 2021 to allow more time for the task force to achieve the goals laid out for it in the authorizing legislation of 2013. It also would require the task force to provide guidance and assistance to state agencies regarding the implementation of Employment First policies and would reflect organizational changes within current member agencies.

Status: Passed by Senate; referred to House Human Services, Committee report sent to Calendars
