The Center for Work Ethic Development brings to you both, [Bring Your 'A' Game](#) and the brand-new, online [Bring Your 'A' Game Anywhere](#). Both training programs build the seven foundational workplace skills of Work Ethic that employers demand. Developed with the unique needs and challenges of workforce development in mind, the two solutions give you the flexibility to deal with our new reality and prepare participants to earn their Certificate of Work Ethic Proficiency. Workplace skills will be even more important for job seekers in the days ahead and now you can develop them in person or online!

[C2 Global Professional Services](#) was founded to offer a viable, and now successfully proven, alternative to what is available in terms of service providers. We look for Workforce Investment Board partners to commit to working beyond workforce dogma to improve communities, invest in staff development to achieve exceptional customer service and invest in innovation and technology to improve the system.

[iCEV Multimedia](#) has specialized in providing quality CTE curriculum and educational resources for over 35 years. In 2012, CEV introduced iCEV, an online platform revolutionizing the way CEV produces and delivers educational content. iCEV is the most comprehensive online resource for CTE educators and students offering learning-on-demand features, video clips streaming and testing and grading capabilities to any device with Internet capabilities. Additionally, iCEV acts as a certification testing platform for industry certifications. Recognized companies and trade associations such as Southwest Airlines, Express Employment Professionals, Elanco and BASF utilize iCEV as the testing platform for their certifications.

[The Conover Company](#) has been developing tools for over 40 years to help workforce professionals assess and train their clients with the social and emotional skills for success. Their online tools help you stay focused on outcomes by making sure the assessments drive training so it is meaningful for every individual client you serve and you get the results you are looking for.

[Equus Workforce Solutions](#): Our dedicated and passionate team of 2,500+ workforce professionals puts the industry's best practices to work across more than 350 North American locations, assisting approximately 1.9 million job seekers and thousands of employers annually. Together with our partners and collaborators, we work every day to change lives, advance economies, and help communities thrive.

[Grant Associates](#) is a national, award-winning workforce development company. Since opening our doors in 1997, we have collaborated with government agencies to develop workforce programs and solutions that create the opportunities that advance job seekers, businesses and local economies, all with exceptional results. At Grant Associates, we know every community's workforce needs are unique. With proven models and in active partnership with government, Grant Associates' mission is to tailor solutions that build workforce capacity, proving over the past two decades that our approach helps a community reach its true potential.

[Metrix Learning®](#) is an online learning platform designed to meet the needs of states, workforce boards, and their customers. Learners can assess their job skills, remediate skill gaps, and take over 100 certification training programs to prepare for new employment opportunities. Metrix Learning® offers over 6,000 online courses, career pathways tools, digital badges, gamification, and is integrated with WorkInTexas.
